## CORE CAPABILITIES

LAYHM Enterprises delivers professional-grade supply distribution to federal, state, and local agencies across four product categories. We move fast, we deliver right, and we stand behind every order.

- Professional & Scientific Equipment Supply
- Safety & Security Equipment Distribution
- Hardware, Plumbing & HVAC Supply
- Office & Operational Supplies

## WHY LAYHM

### Military Precision

Military-raised discipline applied to every order — accurate, on time, no excuses.

### Speed Advantage

We move faster than large distributors. No layers. No delays. Direct accountability.

### Compliance-First

SAM.gov active (UEI: XFSUAEKP6BS4), CAGE: 1Z3B5. We know how federal procurement works.

### Personal Service

You deal with the founder. Not a call center. Not a ticket system. Ryann Jones personally.

### Hunger to Perform

We are not managing a legacy book of business. We are earning our first — and we treat it that way.

## PAST PERFORMANCE

*LAYHM Enterprises is a newly established vendor actively building its federal performance record. We are SAM.gov registered, CAGE assigned, and ready to quote on micro-purchase and simplified acquisition opportunities. Our focus is simple — show up, deliver right, and earn the record one order at a time.*

**Currently building first federal contract record.**

**Competitive pricing and reliable fulfillment guaranteed on every order.**
